

- Why is this week's topic important for teamwork?

This week topic was important because we worked on our team presentation for the Acorn project. It was very stressful but at the end rewarding to see that we did well

- How do plan on contributing to the team, besides completing your tasks?

I presented for one of our team members missing during the presentation for health reason.

- How does your experience relate to other experiences you have had?

I Worked on my presentation for my English 150. It was kind of similar, the only difference is that this time we were all as a team so, it was quite interesting

- How does your experience relate to other classmates' experiences?

We all worked together and had a part of our presentation got done.

- Tell me about what you taught someone? And what did they learn that they didn't know before?

I learned how to be quick in making decisions and adjust to situations.
